Our goal is to provide puzzle challenges that make this practice more meaningful, you can assign a puzzle along with a set of exercises from the textbook. Puzzles should be varied so that you can continue your experiments. Puzzles should be relevant to your daily life. If the puzzle contains information relevant to your work, you will be able to put that information into practice. If the puzzle talks about what might happen after the end of the course, you will be able to plan ahead. Puzzles should stimulate thinking as well as keep you motivated.
