Source: [sinovoip.com](http://sinovoip.com) For us time flies when our startups are growing. It has been two years since our first launch and our growth is better than expected so far. Due to the fact that we have a lot of interest, we decided to present our company's plans and vision to the community. We are focused on the content market, mainly we provide SEO, and hope that we will get more attention from the content creators, PR agencies, search engines and other players in this field in the future. But now we want to start with the e-commerce part of our business. The stages we plan to go through: 1. E-Commerce Feature on [sinovoip.com](http://sinovoip.com).
