

Motion will be used to change what it means to be a player in FIFA. It will add an authentic element to player animations and make players react more naturally to the ball when it is delivered or moved. FIFA 22 delivers various AI and human player enhancements and gameplay enhancements that will dramatically improve the experience. “We believe that our world-class developers have created an amazing version of FIFA, and we are excited to give our fans the chance to test its limits,” explained David Rutter, FIFA Lead Producer. “‘HyperMotion Technology’ is our way of saying thanks to our fans for their continued support. We are so excited to learn from them and share their experiences with them during the preview period.” “It has been a pleasure working closely with the amazing team at EA to create the most authentic version of FIFA yet – and ‘HyperMotion Technology’ is just one example of that,” said David Rutter, lead producer on FIFA. In FUT Champions, you’ll have access to a spectacular range of football skills. You’ll need a wide range of attacking skills, including with the ball and without it. The new Mastery system lets you adjust your skills to suit your needs. “We’re pleased to introduce more extensive ‘setting up play’ across our many gameplay modes,” said Ian Livingstone, senior producer FUT Champions. “With the addition of Advanced Tactics, we’ve also been able to develop a better system for specifying player roles, to make the game more balanced.” UEFA Euro 2016 to be played on FIFA’s UEFA Champions League/European Championship mode. Euro 2016 will be hosted in France, from 10 June to 10 July 2016, and will feature 24 teams from across Europe. The competition will run for almost five months, with 16 matches played over 47 days. In the main FUT Champions mode, you can choose to compete in teams from Europe, the U.S., South America, Asia, Africa, and Oceania. There are three types of FUT Champions: draft, league, and knockout. In draft mode, you play in your regional league, then you ‘draft’ your regional best team. After the draft, you compete in a series of games, and then you play in a few ♦
